

THE STINGER®
SANITIZER
PROGRAM ADDS
THAT EXTRA
LEVEL OF
PROTECTION TO
REDUCE THE
RISK OF
CONTAMINATION.

E53

SANI-STATION

Designed for ease of use, the Stinger® Sani-Station provides a simple way to fill and spray right from the bottle. No manual mixing is required. The sanitizing station mixes RTU (ready-to-use) disinfectant every time.

E60

MOBILE SANI-CART

The battery-operated mobile sani-cart allows for dispersing of sanitizer over large areas. Excellent for public areas such as restaurants, churches, stadiums, auto dealerships, car washes, hospitals, etc.

E56

HANDS-FREE DISPENSERS (BLACK)

SIZE: 14" X 14" BASE | 51" TALL

E57

HANDS-FREE DISPENSERS (STAINLESS STEEL)

SIZE: 10" X 16" BASE | 55" TALL

Our hands-free sanitizer dispensers are an excellent solution for providing protective sanitizer to your customers and staff in common areas. It easily holds a gallon of sanitizer. Available in two options, stainless steel and black.
